## HEARST DEFEATED BY TAMMANY HALL

### McClellan Elected By a Very Small Majority.

### WILL CONTEST THE ELECTION

### City Reform Party Wins Great Victory in Philadelphia—Election News From Other States and Cities—Fusion Defeated in San Francisco.

New York, Nov. 9.—This city yesterday elected George B. McClellan, the candidate of the Democratic party, mayor by a narrow margin over William Randolph Hearst, the nominee of the Municipal Ownership League.

William Travers Jerome, independent candidate for district attorney, is apparently re-elected. With 46 election districts to be reported today, he had a lead of 3,525 votes over James M. Osborne, the Tammany candidate. The complete but unofficial returns give McClellan 3,485 plurality over Hearst. The total vote was: McClellan, 228,651; Hearst, 225,166; Ihms, 137,049.

The new city government, exclusive of the board of aldermen, will be constituted as follows:

Mayor—George B. McClellan (Dem.).

Borough presidents—For Manhattan, John F. Ahearn (Dem.); Bronx, Louis Haffen (Dem.); Brooklyn, Bird S. Coler (M. O.); Queens, Joseph M. Burns (M. O. & Dem.); Richmond, George M. Cromwell (Rep.).

At an early hour this morning Mr. Hearst left his headquarters in the Hoffman House for his residence, following a conference with his campaign managers, and the heads of the Municipal Ownership ticket, including Justice Seabury, Clarence B. Shearn and Max F. Ihmsen. Mr. Hearst himself would make no statement, and referred all questioners to Mr. Ihmsen. The latter said that Mr. Hearst claimed his election as mayor by a good majority. That a fraudulent vote of at least 40,000 had been in Greater New York was the claim of the Hearst managers. It had been decided, Mr. Ihmsen said, to demand a recount of the entire ticket. If after 194 ballot boxes said to be missing had been located and counted, it was found Mr. Hearst still lacked sufficient votes to elect him.

#### Hearst Makes Statement.

After considering the situation fully Mr. Hearst gave out the following statement, which is repeated today in his newspaper, The Evening Journal:

"We have this election. All Tammany's fraud, all Tammany's corruption, all Tammany's intimidation and violence, all Tammany's false registration, illegal voting and dishonest counting have not been able to overcome a great popular majority. The recount will show that we have won the election by many thousands of votes.

"I shall fight this battle to the end, in behalf of the people, who have cast their votes for me, and who shall not be disfranchised by any effort of criminal bosses. Wm. Randolph Hearst."

The Evening Journal also prints a notice that bets on the mayoralty should not be paid, declaring that the official count will show Hearst elected.

#### City Party Sweeps Philadelphia.

Philadelphia, Nov. 9.—The political revolution in this city and state yesterday was the greatest that has occurred in Pennsylvania in nearly a generation. There have been pervious upheavals, but this is the first time in years that every office for which there was any semblance of a contest has been lost to the regular Republicans. It is also the first time in a quarter of a century that the regular Republicans have been defeated for the control of the state treasury. The memorable contests have been waged against the Republicans for the office but without success, and it is worthy of note that yesterday's election was the first that has been held for he place since the death of former United States Senator Quay.

The plurality of William H. Berry, who was nominated by the Democrats, Independent party, Lincoln party and Prohibitionists for state treasurer, will be nearly 100,000, and may go above those figures.

J. Lee Plummer, the Republican candidate, ran far behind his ticket in nearly every county in the state. The remainder of the Republican ticket was elected by the usual Republican pluralities.

Complete returns from every ward in the city give the city party 148,87: and the Republican candidates, 105,346, a plurality for the city party of 43,333.

Berry (fusion) candidate for state treasurer, carried the city over Plummer (Rep.) by 36,037 plurality.

#### Union Labor Wins in San Francisco.

San Francisco, Nov. 9.—The Union Labor party achieved an astonishing triumph in yesterday's battle at the polls. From the head of the ticket down to the eighteenth nominee for supervisor, every Union Labor candidate was elected, Mayor Eugene E. Schmitz being returned to office for a third term by a majority of 11,500 over John S. Partridge, the joint nominee of the Republican and Democratic parties. The remainder of the candidates of the Schmitz ticket were elected by majorities ranging from 4,000 to 7,000.

The clean sweep astounded the fusion leaders. While the fight between Schmitz and Partridge was secretly conceded by them to be an open one, the Schmitz party attribute the result to an endorsement of the present administration.

Following is the complete vote:
Schmitz (Union Labor), 40,191.
Partridge (fusion), 28,687.
Schmitz's majority, 11,504.

#### Ohio Goes Democratic.

Columbus, O., Nov. 9—John M. Pattison (Dem.) will be the next governor of Ohio, and his party associates on the state ticket have also all been elected, according to the indications of precinct returns and county plurality figures received here up to 11 o'clock this morning. The exact figures received are unknown and may not be known today, but there seems no reason to doubt the success of the entire Democratic state ticket by at least a safe plurality, while Chairman Garber claims 36,000 plurality for Pattison and the Democratic ticket. Up to 11 o'clock Chairman Dick had refused to admit officially the defeat of his ticket, but it was understood at Republican headquarters that the reports from county chairmen indicated that result.

Both houses of the legislature will be Democratic, the last hope of the Republicans vanishing with the report that the Hamilton county delegation was solidly Democratic.

#### Republicans Carry Massachusetts.

Boston, Nov. 9.—A revision today of yesterday's voting in Massachusetts failed to materially alter the result.

The Republican victory all along the line with the exception of the contest for lieutenant governor, was just as pronounced as it was at midnight last night.

The revised figures are:

Governor Guild (Rep.), 197,812; Bartless (Dem.), 174,396; Guild's plurality, 23,116.

Lieutenant Governor Draper (Rep.), 182,197; Whitney (Dem.), 180,201; Draper's plurality, 1,996.

#### Negro Disfranchisement Defeated.

Baltimore, Md., Nov. 9.—Additional returns from the Maryland counties and city precincts that were not counted last night, confirm the overwhelming defeat of the proposed suffrage restriction amendment to the constitution, but leave in doubt the state comptrollership. The legislature is also left in doubt by later returns. The senate is certainly Democratic, but the composition of the house of delegates is unknown. The legislature elects the state treasurer, and the politics of that official as well as of the board of public works of which he will be a member, will depend on the legislative returns yet to come.

#### Chicago is Republican.

Chicago, Nov. 9.—The Republicans swept Chicago yesterday, electing every candidate on their ticket. The complete returns early today show the following figures:

Judge superior court: Gary (Rep.), 88,938; McEwan (Rep.), 90,925; Hall (Rep.), 91,636; Vavanaugh (Rep.), 189,348; Ramsey (Dem.), 71,337; Smietana (Dem.), 65,263; Shepard (Dem.), 78,522; Werno (Dem.), 69,564.

Judge superior court to fill vacancy: Smith (Rep.), 88,743; Tolman (Dem.), 81,718.

Judge circuit court: Pinckney (Rep.), 88,278; Doyle (Dem.), 77,349.

In the vote for trustees of the sanitary district, McCormick, the highest man on the Republican ticket, received 86,643 votes, against 80,377 for Webb, the highest man on the Democratic ticket. Baker, the low man on the Republican ticket, received in the city, 2,258 more votes than Webb, the high man on the Democratic ticket.

#### Nebraska Safely Republican.

Lincoln, Neb., Nov 9—Reports from nearly all election precincts in Nebraska have been received, and it is apparent that Letton (Rep.) for supreme judge, has a plurality of 15,000 over Hastings (fusionist). This plurality is about double the plurality given the Republican candidate for supreme judge two years ago. The Republican candidates for university regent, who were attacked by the fusionists because of a large money gift to the university by John D. Rockefeller, have run slightly ahead of their own ticket.

#### New Jersey is Republican.

Trenton, N. J., Nov. 9.—Late returns from Hudson county indicate that the Republicans have elected their entire twelve assemblymen.

The Democrats will not have more than three members. The next legislature will stand as follows: Senate—Republicans, 17; Democrats, 4. Assembly—Republicans, 57 and Democrats, 3.

#### Virginia is Democratic.

Richmond, Va., Nov. 9.—Claude B. Swanson (Dem.) was elected governor of Virginia by about 30,000 plurality over Judge L. L. Lewis, the Republican candidate. The vote everywhere was exceptionally light, but Democratic apathy was offset by unfavorable conditions on the other side. The negroes throughout the state abstained from voting almost entirely.

#### Democrats Win in Louisville.

Louisville, Ky., Nov. 9.—Paul C. Barth (Dem.) defeated O'Neal (fusion) for mayor by a plurality of 2,894.

## QUIET NOW REIGNS AT ODESSA, RUSSIA

### Ontward Calm Returned, but Tension Is Still Great.

### APPEAL MADE TO COUNT WITTE

### Apprehensive of Fresh Outbreaks the Governor-General Has Promised to Place Military Guards Over Homeless Jews—Business at a Standstill.

Odessa, Nov. 9.—Outward calm has returned here, but the tension is still great. Reports that the Jews are preparing for terrible vengeance on the Christians are being industriously circulated among the lowest and most ignorant classes, and it is feared they may lead to a rescrudescence of anarchy. These reports declare that the Jews intend to blow up the churches and distribute poisoned foodstuffs to the Christians.

Prefect Neidhart, to whom much of the responsibility of last week's occurrences is attributed, is still in office, despite urgent demands for his removal.

The prosecutor general has invited all eye-witnesses of the outrages to give testimony at the forthcoming investigation.

Apprehensive of fresh outbreaks the city council has secured the promise of the governor general to place military guards at all places where the numbers of Jews recently rendered homeless are now being sheltered.

The university has sent three professors to St. Petersburg to present to Count Witte a full account of last week's atrocities with a demand for the instant removal of the authors.

The municipality, the university offi-

cials and the barristers are co-operating in arranging for an independent inquiry as they are mistrustful of official investigation.

The chamber of commerce has officially announced that the spirit trade of Odessa has practically stopped as foreign houses have suspended business with the local merchant because of the dangerous situation in the town. The foreigners, the chamber declared, feared to deal even with the wealthiest merchants who may at any moment be killed or ruined. Grain is purchased only when on board of a ship ready to sail.

The American, British and other consuls have all sent interesting detailed accounts of the recent events to their governments, explaining the real character of the outbreaks and naming the supposed authors.

As an indication of the wide area of the disturbances, the Glaziers corporation has ascertained that over 70,000 window panes were smashed.

Governor General Kaulbars denies the report that he has been transferred to the governor generalship of Finland.

#### Russian Troops Are Praised.

St. Petersburg, Nov. 9.—A government proclamation is published today calling attention to the difficult position of the troops during the disorders of the past week. It declares that they simply performed their duty and should be praised rather than blamed for preserving order especially in the streets of the capital.

#### NEGROES ARE NOT IDENTIFIED.

##### Mrs. Moore Fails to Recognize Prisoners as Her Assailant.

Atlanta, Nov. 9.—Mrs. Moore, who was assaulted by a negro about two weeks ago at Brookwood, came to the city yesterday to see the two negro suspects, Luckie Elliott and Will Jackson, who were held at the Tower as her assailant.

She took a good look at the prisoners and stated that neither was the negro who committed the assault.

The negroes were not released, as the arresting officers have stated that they intended to prosecute them on the charge of vagrancy.

Of the five negroes arrested for the assault of Mrs. Moore, three were released last week, and as the remaining two have not been identified, the negro wanted is still at large.

The police are still looking for the negro wanted, but there seems now to be little hope that he will ever be caught.

#### Birmingham Has Large Fire.

Birmingham, Ala., Nov. 9.—Fire totally destroyed the new five-story building, on Twentieth street, of the Moore & Handley Hardware company. The building was erected at a cost of $75,000, and the stock was valued at $175,000. The two-story structure on Avenue A, adjoining that of Moore & Handley, and recently occupied by the Avondale laundry, was also burned, the loss being $10,000. The plant of the Phillip Carey Manufacturing company, on Avenue A, was totally destroyed with the contents, the loss being estimated at $12,000.

#### Two Killed on Trestle.

Richmond, Nov. 9.—Mrs. John Dolan was walking on a trestle a few miles from the city, holding by the hand her 6-year-old daughter. Just behind her were her daughter Lizzie, aged 9, and Lillian Marriotti, of about the same age. A train came up from the rear, struck the two older girls and killed them instantly. The mother grabbed the younger child and jumped with her into a canal alongside the track. She and the little one were saved uninjured.

#### Monument to Jefferson Davis.

Richmond, Va., Nov. 9.—Ground has been broken here for the monument to Jefferson Davis, to be erected by the United Daughters of the Confederacy, and to cost $50,000. Mrs. S. T. McCulloch, of Staunton, Va., chairman of the monument committee, presided at the ceremonies, which were simple in the extreme, and witnessed practically by the members of the building committee only. The unveiling ceremonies are fixed for 1907, and are expected to be very elaborate, the whole south participating through prominent representatives.

## MAN CREMATED IS KANSAS CITY FIRE

### Two Other People Are Said to Be Fatally Burned.

### CAUSE OF FIRE IS UNKNOWN

### Rooming House in Missouri Town is Burned to the Ground—The Dead and Injured Were Overcome by the Smoke—Property Loss is Small.

Kansas City, Nov. 9.—One person was burned to death, two were fatally burned and one was seriously burned in a fire which destoyed a rooming house at 621 Grand avenue early today. The dead:

Charles Tanzey.

Fatally burned: Mrs. Tess Burkhardt and an unknown man. Seriously burned: An unknown man.

The dead and injured were sleeping and were overcome by smoke before they could make their scape.

The nunknown man came here from Harlem, Mo., yesterday. The property loss was small.

#### NEGRO BEATEN BY MOB.

##### Stabbed a White Man in Brooklyn and He Narrowly Escapes Lynching.

New York, Nov. 9.—Fighting to protect themselves as well as to save a negro fugitive from being torn to pieces by a crowd of 5,000 persons, two detectives battled for 15 minutes in Brooklyn last night before they were able to summon help.

A. H. Edwards, a negro, accused of stabbing Harry A. Grant, an innocent victim of the negro's wrath, had fled from Pearl and Willoughby streets at the height of the present excitement. A thousand men and boys chased the negro, when they saw Grant fall unconscious. When Edwards was rescued by reserves from headquarters, he was almost dead. He was taken to a hospital, where he is not expected to live.

The incident which transformed a crowd of 5,000 persons into fury occurred in a saloon. Edwards was called a harsh name by a white man. With an oath Edwards drew a knife. The man who had insulted him rushed from the saloon, Edwards following.

When Edwards reached the street Grant was passing, and without warning Edwards plunged the knife into Grant's neck. Grant fell unconscious. A moment later the crowd fell upon the negro.

#### PROTEST AGAINST MAKING LOAN

##### Request of Hawaiians' Territory Will Be Opposed by Congress.

Honolulu, Nov. 9.—Senator McCandless and others have sent to President Roosevelt a protest against the territorial loan for which Secretary Atkinson is now en route to Washington to secure the approval for issuing a loan of $1,250,000, and made appropriations accordingly.

Governor Carter decided to issue and expend only $750,000 and it is to secure this amount that Secretary Atkinson has gone to Washington. The Protestants claim that Governor Carter is exercising a legislative function in attempting to issue an unauthorized loan of $750,000, and selecting which items among the appropriations shall be carried out.

#### Typhoon Wrecks Town.

Tokio, Nov. 8.—6:30 p. m.—A typhoon which took place yesterday, November 7th, has wrought extensive destruction in the province of Oshima and in the islands adjacent thereto. Over two thousand buildings have been destroyed, and a steamer, it is said, has been wrecked. No loss of life is reported.

**Stabbed a White Man in Brooklyn and He Narrowly Escapes Lynching.**

New York, Nov. 9.—Fighting to protect themselves as well as to save a negro fugitive from being torn to pieces by a crowd of 5,000 persons, two detectives battled for 15 minutes in Brooklyn last night before they were able to summon help.

A. H. Edwards, a negro, accused of stabbing Harry A. Grant, an innocent victim of the negro's wrath, had fled from Pearl and Willoughby streets at the height of the present excitement. A thousand men and boys chased the negro, when they saw Grant fall unconscious. When Edwards was rescued by reserves from headquarters, he was almost dead. He was taken to a hospital, where he is not expected to live.

The incident which transformed a crowd of 5,000 persons into fury occurred in a saloon. Edwards was called a harsh name by a white man. With an oath Edwards drew a knife. The man who had insulted him rushed from the saloon, Edwards following.

When Edwards reached the street Grant was passing, and without warning Edwards plunged the knife into Grant's neck. Grant fell unconscious. A moment later the crowd fell upon the negro.

**PROTEST AGAINST MAKING LOAN**

**Request of Hawaiians' Territory Will Be Opposed by Congress.**

Honolulu, Nov. 9.—Senator McCandless and others have sent to President Roosevelt a protest against the territorial loan for which Secretary Atkinson is now en route to Washington to secure the approval for issuing a loan of $1,250,000, and made appropriations accordingly.

Governor Carter decided to issue and expend only $750,000 and it is to secure this amount that Secretary Atkinson has gone to Washington. The Protestants claim that Governor Carter is exercising a legislative function in attempting to issue an unauthorized loan of $750,000, and selecting which items among the appropriations shall be carried out.

**Typhoon Wrecks Town.**

Tokio, Nov. 9.—6:30 p. m.—A typhoon which took place yesterday, November 7th, has wrought extensive destruction in the province of Oshima and in the islands adjacent thereto. Over two thousand buildings have been destroyed, and a steamer, it is said, has been wrecked. No loss of life is reported.

**Prince Elected Member of Union.**

Baltimore, Nov. 9.—At a meeting of the chapel of printers in the composing room of the News office today Prince Louis of Battenburg was elected a member, it having been developed during his visit to the office of that newspaper last night that his highness learned the printing art when he was a young man.

# FINE LIVE STOCK FOR STATE FAIR

## Alachua County Will Make Fine Exhibit of Live Stock.

### SPRING PARK WILL BE THERE

With One of the Finest Displays of Live Stock Ever Seen in the South. Tampa Times Gives Alachua Stock Fine Advance Notice.

The Tampa Daily Times of the 9 h inst. contains a very complimentary article to Spring Park Stock Farm of this city, which is as follows:

"The exhibit of cattle to be made at the State Fair by the Spring Park Stock Farm Company of Alachua, which is under the care of General Manager N. A. Callison, cannot fail to be one of the greatest interest to any visitor to the live stock department at the Fair.

"The company, of which C. W Chase of Gainesville is president, was formed with a capital of $100,000 for the purpose of breeding registered stock of all kinds, a specialty being made of registered Hereford and Jersey cattle, and of demonstrating the fact that the State of Florida is as well if not better adapted to the breeding and raising of the finest breeds of cattle as any of her sister States in the Union.

"The farm, which comprises between forty and fifty thousand acres, is located near Gainesville, in Alachua county, and is recognized as one of the show places in that section, having been laid out according to plans of the men who have made the rearing of live stock the study of their lives, and all buildings, etc., having been fitted with the most modern and up-to-date appliances for the comfort of the cattle.

"Recognizing from the very first the importance of a good beginning, and the fact that in all cases the best is invariably the cheapest, no pains or expense were spared by the company in securing the very best animals which could be procured for their foundation herd, several of the members of the same having taken first prizes in their classes at the World's Fair at St. Louis, while most of them have secured one or more firsts in their class at the best known fairs and cattle shows throughout the country.

"At the head of the Hereford herd stand two magnificent bulls, Ridicule and Dallas, both of them splendid specimens of the type of beef cattle, the former animal weighing between 2,000 and 2,200 pounds, and with lines that make the heart of the lover of live stock throb with pleasure to look at. This bull, which shows in the aged class, has been most successful in transmitting his good points to his progeny, with the result that his sons and daughters are to be found among the prize winners throughout all the Western States.

"Dallas, in the two-year-old class, enjoys the distinction of having secured no less than fifteen first prizes, including among them the first prize for junior yearling bulls at the St. Louis exposition, and the junior championship of the Southern exhibit.

"In addition to these two animals, several heifers will be found in the stalls reserved for this herd, for which the company paid $500 at the ranches where they were bought.

"But on turning from these mammoth specimens of one of the best breeds of beef cattle to the smaller but fully as valuable Jersey, the visitor will find that the same policy has been carried out in selecting the foundation herds of this premier breed of dairy cattle.

"Occupying the position of lord of the harem stands that magnificent animal Fancy Golden, of Biltmore, sired by Golden Lad's successor, who was awarded the championship of the Pan American exposition at Buffalo, and who, in his day, had the distinction of having taken more first prizes than any bull living at that time.

"Many of the heifers and cows in this herd were purchased at fancy prices at the sale of the famous Biltmore herd of Jerseys so carefully selected and secured without any thought of expense by W. K. Vanderbilt for his stock farm in North Carolina, but it will be sufficient for the purpose of this article to mention Beau Brummel's Madeline. This beautiful specimen of all that a dairy cow should be, shows in the two-year-old class, with her first calf, and was imported direct from the island of Jersey, Mr. Callison's description of her that 'she is a perfect picture' being the best that can be given of her.

"The company have entries in fifteen different classes, which will in some way convey to the reader the large interests which they have in the cattle business.

"Besides their cattle exhibit, the Spring Park farm have made entries with Berkshire hogs, Angora goats and bronze turkeys, it being their intention to conclusively prove that a well-managed stock farm in Florida can produce all kinds of stock to as good advantage as on the much-boasted-of grass lands of the West."

# CUTICURA

## Soap, Ointment and Pills the World's Greatest Skin Cures.

## PRICE THE SET $1

### Complete Treatment for Every Humour, from Pimples to Scrofula.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter, and salt rheum, all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humour remedies of the civilized world.

The grandest testimonial that can be offered the Cuticura remedies is their world-wide sale, due to the personal recommendations of those who have used them. From a small beginning in the simplest form, against prejudice and opposition, against monied hosts, countless rivals, and trade indifference, Cuticura remedies have become the greatest curatives of their time, and, in fact, of all time, for nowhere in the history of medicine is to be found another approaching them in popularity and sale. In every clime and with every people they have met with the same reception. The confines of the earth are the only limits to their growth. They have conquered the world.

Sold throughout the world. Cuticura Resolvent, 50c. (In form of Chocolate Coated Pills, 25c. per vial of 60), Ointment, 50c., Soap, 25c. Depots: London, 27 Charterhouse Sq.; Paris, 5 Rue de la Paix; Boston, 137 Columbus Ave. Potter Drug & Chem. Corp., Sole Proprietors.

"For the past five years, however, on the slightest sign of a cough or cold, I have taken Dr. King's New Discovery for Consumption, which has saved me from serious lung trouble." His mother's death was a sad loss for Mr. Reid, but he learned that lung trouble must not be neglected, and how to cure it. Quickest relief and cure for coughs and colds. ### A SERIOUS OFFENSE.

#### Malicious Parties Did Great Damage to Irrigating Plants.

Some malicious party or parties participated in a piece of work a day or two recently for which they will pay dearly if apprehended, as they destroyed property which will require more than a hundred dollars to place in repair again.

The property in question is the three irrigating plants on the farm of John M. Flewellen, located on the Hogtown Creek road, opposite the University grounds. Mr. Flewellen went to his farm Wednesday for the first time since Friday of last week, and upon his arrival there was surprised to find the plants almost a complete wreck, the victim of hammers and wrenches. The glass gauges were shattered into small bits, cocks had been unscrewed and either taken away or thrown into the lake, other parts of the machinery were demolished in some instances almost beyond repair, and altogether the damage is serious. Mr. Flewellen states that there could have been no malicious motive of a grown person, and he is of the belief that the damage was wrought by boys. He has offered a rward of $50 for the apprehension and conviction of the guilty parties, and the officers are hot on the trail.

### No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. W. McCollum & Co.

### A Delightful Party.

The young folks of North Gainesville gave a pound party at the home of Mr. and Mrs. Walter McMillan Wednesday evening, which was largely attended. Each attendant was required to bring a pound of "something good to eat," with the result that there was quite a diversity on the bill of fare, but the young ladies volunteered as cooks, and a fine spread was prepared.

Those who attended report a most delightful time, and will arrange to give another similar entertainment in a short time.

### Sluggish Liver a Foe to Ambition.

You cannot accomplish very much if your liver is inactive, as you feel dull, your eyes are heavy and slight exertion exhausts you. Orino Laxative Fruit Syrup stimulates the liver and bowels and makes you feel bright and active. Orino Laxative Fruit Syrup does not nauseate or gripe and very pleasant to take. Orino is more effective than pills or ordinary cathartics. Refuse substitutes. J. W. McCollum & Co.

## WS OF CITY AND COUNTY CONDENSED

O. W. Reagan of Hague, superintendent of the hard-wood interests of the Hoopes Bros. & Darlington Company, manufacturers of hoops, spokes and rims, was at the Brown House yesterday. He was en route to his home in Ocala, where he will spend a few days with his family.

Miss Eva Means has returned from Evinston, where she went to attend the Means-Evans wedding, being one of the attendants. The wedding occurred Wednesday evening, and was largely attended by friends of the contracting parties, both of whom are very popular in that section.

We are in a position to furnish first-class bean, cuke and lettuce hampers, also cabbage and canatloupe crates promptly at reasonable prices, and guarantee prompt shipment on all contracts. Ship on either A. C. L. or S. A. L. railroads. Williston Manufacturing Co, Williston, Fla. dawtf.

The first and second teams of the University Graded and High School have decided to give our people a little touch of football, and will meet on the gridiron at 3 o'clock this afternoon. The game will be pulled off at the baseball park. The admission will be only 10 cents, and a good crowd should lend the boys encouragement. The teams are in very good practice, and are evenly matched, so an exciting game may be expected.

Perry Colson of Gainesville was in the city for a few days. Mr. Colson arrived from Perry just in time to see his train for Gainesville pulling out of the union depot. This necessitated a change of route and a stay here for a few hours. But Mr. Colson appreciates activity and a hustling city and enjoyed his stay here about as much as the people of Live Oak enjoyed having him, and that is saying a great deal.—Live Oak Democrat.

Among the visitors to this city yesterday was Geo. C. Warner of Jacksonville, the clever and successful traveling representative of the Miami Manufacturing Company, manufacturers of the Recycle, Middletown, Ohio. Mr. Warner is an old newspaper man, and has many friends throughout Florida who are always glad to welcome him. He was at one time employed in newspaper work in this city, being connected with The Democrat.

Justice R. W. Small of Hague was among the visitors to the county capital yesterday. Justice Small reports business very dull in his court, and good-naturedly declares if he was compelled to depend upon the fees of his office the county would have to send him to the poor house. He reports business otherwise very good, however, and the farmers happy over a good crop, with the exception of cotton, which is a third short of last year.

William Jones of Alachua, a clever traveling salesman and member of the firm of Jones, Maynard & Jones, general merchants of that progressive town, is in the city. Mr. Jones came for the purpose of receiving initiation in Gainesville Lodge No. 990, B. P. O. E., and was given a full set of antlers last night. He expressed himself as being very much impressed with the work of the order, and it goes without saying that he will make a good Elk.

## OLD AGE BROUGHT NO INFIRMITIES

To "The Autocrat of the Breakfast Table."

Oliver Wendell Holmes, after eighty years of life had rolled over his head, declared that he was "eighty years young." "So may every man and woman in Gainesville," said Druggist W. M. Johnson, "if they will take proper care of themselves, keep built up and their bodily tissues from wasting.

"We wish we could persuade every person in this vicinity who 'feels old,' whether they are so in years or not, to take Vinol. It is by far the greatest tissue builder and invigorator we know of for old people. Vinol is not a patent medicine, but simply contains the body-building, strength-creating properties of cod liver oil actually taken from fresh cods' livers, and we guarantee that it will repair worn tissues, check the natural decline and replace weakness with strength.

"There are hundreds of old people in this vicinity who need just such a strength-maker and tissue-builder as Vinol. Their blood is thin, sluggish and watery, but we guarantee that Vinol will enrich and quicken the blood and build up and strengthen every organ in the body. Vinol contains no whiskey or strong stimulants, which have a bad after-effect and weaken and break down, and we wish every old person in this vicinity would try Vinol on our guarantee to return their money if they are not satisfied" W. M. Johnson, Druggist.

## DEATH OF MRS. ANSLEY.

Former Florida Lady Expires at Home of Daughter in North.

Mr. W. T. Bauskett received yesterday a telegram announcing the death of his mother, Mrs. F. W. Ansley, at the home of her daughter, Mrs. A. G. Kraetzer of Brooklyn, N. Y.

Mrs. Ansley was the daughter of Captain John M. Taylor and Mrs. Maria B. Taylor of Marion county, Florida, who were among the early settlers of that part of the State. They moved from Beaufort, S. C., to Florida in the early fifties. The deceased was a sister of R. B. Taylor of Homosassa, Hon. R. F. Taylor of Tallahassee, Mrs. Dora Wallace of Gainesville and Mrs. E. P. Crane of Sewikly, Pa. She leaves, besides a husband, five children—Mrs. A. G. Kraetzer of Brooklyn, N. Y., Miss Sophie Bauskett of Palm Beach, Mr. W. T. Bauskett of Jacksonville, Mrs. Lawrence Hsile of Titusville and Mrs. Thomas Caufield of St. Augustine.

Mrs. Ansley resided for several years in St. Augustine, where she was well known, and also in Fernandina, but recently had been living at Hampton, Va.—Times-Union.

Friends of Mrs. Wallace and other relatives, all of whom are well known here, extend sympathy.

### Death of Mrs. Tuttle.

Allie, wife of Harry H. Tuttle, died at her home, West Church street, at 8 o'clock Thursday morning, after an illness of about six weeks.

Deceased was born in Hamilton county, near White Springs, May 18, 1885, and was virtually reared in that county. She was married to Mr. Tuttle in February of the present year, and lived happily with her husband. She was a devout member of the Methodist Church and has been an active worker in the cause of Christ.

Deceased is survived by her husband and little daughter, only one month old, her parents, Mr. and Mrs. N. A. McLeod of White Springs, two sisters, Mrs. J. H. Tuttle of this city, and Mrs. Thos. McLeod of Newberry, all of whom were at the bedside at the time of her death.

The remains were shipped to White Springs Thursday night, and the interment will be held today.

Friends of the bereaved family extend sympathy in this hour of bereavement.

### Man's Unreasonableness

Is often as great as woman's. But Thos. S. Austin, manager of The Republican of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters she was perfectly cured, and can now perform all her household duties." Guaranteed by all druggists. Price 50c.

### Bookmakers' Chances.

Layers of odds at the race track are prone to circulate tales of their enormous losses upon certain races, but it is seldom that a loss on a run may be shown, for it has been figured by experts that a skillful layer makes a book showing a percentage of 25 in his favor, by which he is bound to retain at least one-fourth of his takings. Large losses happen occasionally when an unexpected victory pays 40 or 50 to 1, but, as a general thing, unless the bookmaker deliberately gambles with chance he "makes books" so that he will show a profit on each race. A skillful bookie can so manipulate the odds that at no point does he stand to lose on a race, and, like his brother of the gambling house, his profit lies in this percentage in his favor. Even where gambling games are run without recourse to fraud the odds in favor of the dealer are never less than 20 per cent.

## HAIR TELLS CHARACTER.

### Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair constancy. A person without hair is not devoid of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A germ causes baldness. Prof. Sabouraud, of Paris, France, inoculated a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Herpicide.

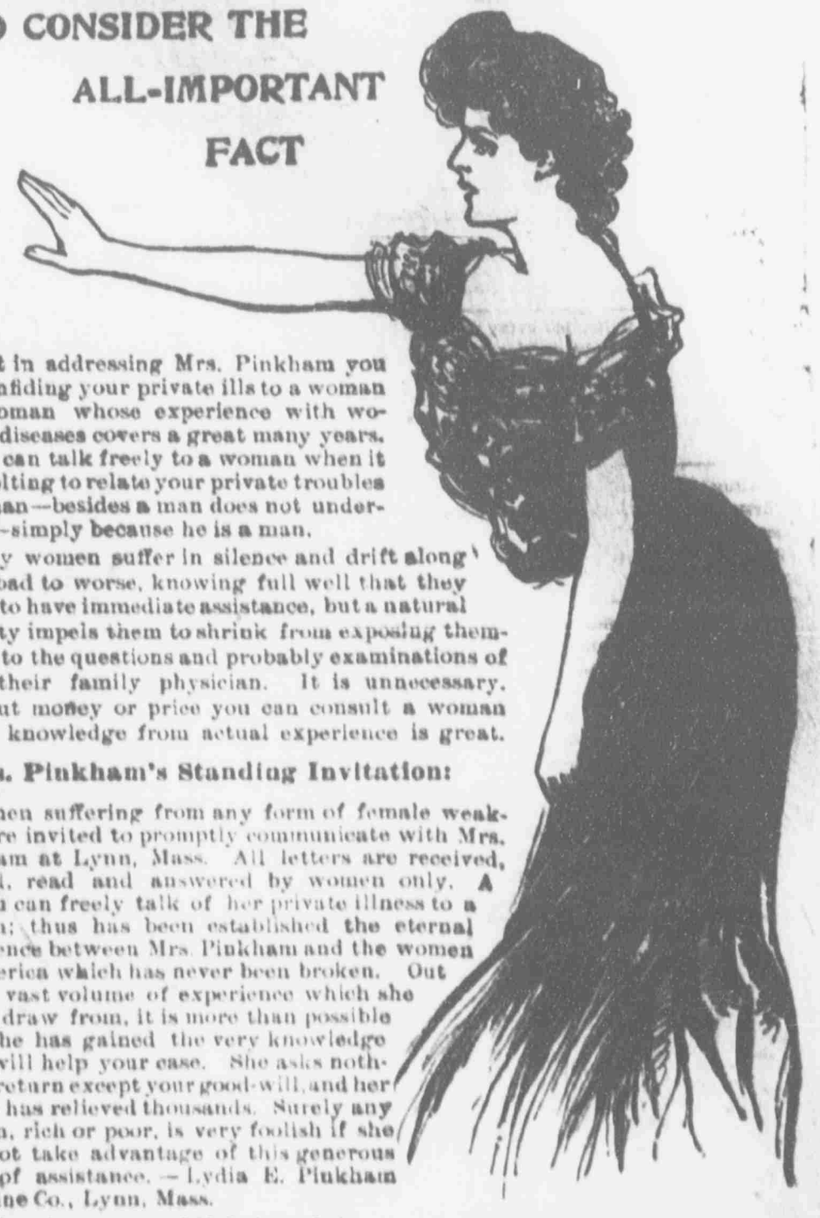
# STOP! WOMEN,

AND CONSIDER THE ALL-IMPORTANT FACT



That in addressing Mrs. Pinkham you are confiding your private ills to a woman—a woman whose experience with woman's diseases covers a great many years.

You can talk freely to a woman when it is revolting to relate your private troubles to a man—besides a man does not understand—simply because he is a man.

Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probably examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is great.

**Mrs. Pinkham's Standing Invitation:**

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.—Lydia E. Pinkham Medicine Co., Lynn, Mass.

**Following we publish two letters from a woman who accepted this invitation. Note the result.**

First letter.

"Dear Mrs. Pinkham:—

"For eight years I have suffered something terrible every month with my periods. The pains are excruciating and I can hardly stand them. My doctor says I have ovarian and womb trouble, and I must go through an operation if I want to get well. I do not want to submit to it if I can possibly help it. Please tell me what to do. I hope you can relieve me."—Mrs. Mary Dimmick, 50th and E. Capitol Sts., Benning P. O., Washington, D. C.

Second letter.

"Dear Mrs. Pinkham:—

"After following carefully your advice, and taking Lydia E. Pinkham's Vegetable Compound, I am very anxious to send you my testimonial, that others may know their value and what you have done for me.

"As you know, I wrote you that my doctor said I must have an operation or I could not live. I then wrote you, telling you my ailments. I followed your advice and am entirely well. I can walk miles without an ache or a pain, and I owe my life to you and to Lydia E. Pinkham's Vegetable Compound. I wish every suffering woman would read this testimonial and realize the value of writing to you and your remedy."—Mrs. Mary Dimmick, 50th and E. Capitol Streets, Benning P. O., Washington, D. C.

When a medicine has been successful in restoring to health so many women whose testimony is so unquestionable, you cannot well say, without trying it, "I do not believe it will help me." If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

### A Suggestion.

Mr. Sloman—Now, you're joking again, aren't you? Miss Waite—Judge for yourself. You should know me pretty well by this time. Mr. Sloman—But you puzzle me sometimes. I don't know what to make of you. Miss Waite—No? By the way, did you hear about Jack Brown and May Long? He made her his wife yesterday.—St. Louis Republic.

## THE ELECTIONS.

The recent elections, held in the seven States on Tuesday, show that the people are becoming weary of the corrupt methods employed by the long-continued power of the Republican party, and a united action was made to drive the corruptionists from power. The independent voter is becoming a factor in the city elections at least, and party ties are disregarded when it comes to a man's home ties in elections.

The recent vote cast in favor of municipal ownership shows that the people are opposed to the extortions of the corporations that are getting richer through municipal franchises and that the time is coming when the cities will own their public utilities.

It also shows that there need be no fear from any uprising to disturb the proper government of affairs, so long as we have a free and fair ballot.

Happily, the abuse of funds in the New York Equitable has not gone to the length of imperilling the face value of policies, though it will, doubtless, affect bonuses. But the position is none the less regrettable. To begin with, the spectacle of considerable sums being paid into the war chest of the Republican party is the more unpleasant when we have regard to President Roosevelt's high character, and we are glad that he has insisted upon restitution. For it is absurd to suggest that these sums were paid for the benefit of the insurance societies as a whole. They were, on the contrary, contributed to render all for the best in the best of all possible worlds for the insurance magnate. Even more serious is the gambling for private advantage which has been going on by pledging the funds of the societies. If a profit was made the individuals who had avoided the risks yet took their share—a handsome one.—London News.

The editor of an esteemed exchange has discovered that there is a wide difference between the school books of today and those of long ago. He says when he went to school he read his lesson in the first reader something like this: "See the cow. Is not a cow nice? No, the cow cannot run as fast as the horse." But the latest up-to-date reading of it by the average kid is as follows: "Gee, get on to the cow. Ain't she a beaut? She is a corker. Can the cow get a move on herself? You bet she kin. Can she hump it like de hoss? Nit—she ain't in it wid de hoss."

Atlanta will hold an exposition in 1910. Jamestown, Va., will hold one in 1907. But next week, Wednesday, the Florida State Fair at Tampa will open up with as fine a show as one would care to see.

There are many things in Florida that will be seen at the State Fair for the first time by a number of our people.

## IS IT UNCONSTITUTIONAL?

The following sensible argument is taken from The Live Oak Daily Democrat, and is worthy the careful consideration of all fair-minded people of this State:

"Editor Caldwell of The Jasper News signalizes his return to Florida journalism by a savage attack on the Buckman education law enacted by the last Legislature, and gives it a 'dressing down' which would have been more effective before its passage than it can be now. We had previously learned from other sources that the constitutionality of the law was to be tested in the courts, and from The News we gather what will probably be the precise ground of attack. Our Jasper contemporary says that the Buckman law violates Article 4, Section 25, of the State Constitution, which reads: 'The Superintendent of Public Instruction shall have supervision of all matters pertaining to public instruction; the supervision of State buildings devoted to educational purposes,' etc. The Buckman law provides that 'the Board of Control shall have jurisdiction over and complete management and control of all of said several institutions and each and every one of them,' meaning all the State schools; and that law also provides that the colored normal school at Tallahassee 'is established under the supervision and control of the State Board of Education and the Board of Control.' The News insists that these two provisions are in direct conflict with Article 4, Section 25, of the Constitution, as quoted above, and for that reason the Buckman law, now the foundation of our entire State school system for higher education, must go to the scrap pile as worthless and invalid legislation. We pass it to the lawyers and the supreme court but we would not be surprised if much the greater part of State sentiment on this subject, if it could be sounded, would earnestly desire that the supreme court might find the Buckman law to be constitutional. The people of Florida, outside the few communities to be adversely affected by the passage of the law because of the possible removal of schools from their midst, didn't seem to manifest any great degree of indignation or opposition while the measure was under discussion in the Legislature, and after it had became law there was, so far as we could see, a general acquiescence in its wisdom, the various cities striving for the location of the new schools throwing themselves heartily and cheerfully into the competition. The schools have now been located; expensive preliminary steps taken for the construction of the university buildings at Gainesville; the people generally seem to be suffering under no sense of wrong or injustice in the matter; and if the State could be polled today we believe there would be an overwhelming majority against returning to former conditions when insufficient State aid to our higher schools was distributed among so many different institutions and they were at each session of the Legislature clamorously begging for more to keep them alive. The News puts its case against the Buckman law with the force and vigor of strong conviction and undoubted sincerity, but we doubt if it will be able to secure a strong following in its opposition to a law approved from the beginning by many of the best minds of Florida and which was undoubtedly designed to cure a conceded evil in the State's higher educational system.

"But if it is unconstitutional the fact should be known as soon as possible before heavy expenses are incurred on faith in the validity of the statute. The next Legislature can cure the constitutional defect and give us a new measure on this subject of paramount importance. The Buckman law was distinctly an educational evolution, and, like revolution, evolution never goes backward. We cannot believe, until we see it, that there will ever be a return to the old system in Florida."

Probably the largest number of people traveling on one ticket passed through Miami Monday on their way from New York to Key West, says The Record. The party numbered 269, and one ticket was issued to carry them on the P. & O. steamer Martinique, which left for Key West last night. The party was composed of Italians and Irish, picked up in New York, for work on the F. E. C. extension. When it left the North the party numbered 300, but 31 of them deserted before reaching Miami.

### Circus Animals Escape from Cages.

## THE EASY OIL.

Scott's Emulsion is "the easy oil"—easy to take, easy in action. Its use insures deliverance from the griping and nauseating sensation peculiar to the raw oil. Nobody who has any regard for their stomach thinks of taking cod liver oil in the old way when Scott's Emulsion is to be had. It is equally certain that no one having a regard for their health will accept a cheap emulsion or alcoholic substitute for Scott's Emulsion. It fulfills every mission of cod liver oil and more.

## GEORGIA VETERANS IN SESSION

**Confederate Solidiers Meet at Macon, Ga., for Annual Reunion.**

Macon, Ga., Nov. 9—Tuesday's trains brought veterans from all directions to Macon for the opening of the annual reunion here this morning. Camp Martin, of Johnson county, composed of about 75 members, was the first to arrive. The men marched in a body to the city auditorium and there disbanded for the day. Later in the evening they came in large numbers from all principal points in the state, and tonight the full state representation thronged the city.

August, Atlanta and Savannah have large numbers of veterans here tonight. The hotels are filled and many are with their friends in the homes of the city. All the visitors are not veterans, however. The Sons of Veterans of the state are well represented, and will also take part in the business affairs, as well as the pleasures of the reunion.

## RAWLINGS REFUSED NEW TRIAL

**Supreme Court Upheld Decision of the Lower Court in Famous Case.**

Atlanta, Nov. 9.—The supreme court has affirmed the sentences given J. G. Rawlings and his sons, Milton, Jesse and Leonard Rawlings, who were convicted of the murder of the Carter children by the Valdosta court.

Under the decision of the supreme court, Rawlings and his two sons, Milton and Jessie, will pay the death penalty for their crime, and Leonard Rawlings will serve out his sentence of life imprisonment.

A new trial has been granted Frank Turner, the negro, who was convicted of complicity in the killing of the two children of Carter, a little boy and girl.

The cases were first tried in the superior court of Valdosta, and old man Rawlings and his three sons, together with the negro were convicted of murder. Rawlings and his two sons, Milton and Jesse, were sentenced to hang, while Leonard Rawlings was sentenced to life imprisonment.

The case was appealed to the supreme court by Attorney John Randolph Cooper, of Macon, who bitterly contested the case.

### New Railroad for Alabama.

Swainsboro, Ga., Nov. 9.—A fatal River Valley and Gulf Railroad company has filed notice of its incorporation with the secretary of state. The capital stock at present is $25,000 and the headquarters will be at Troy, Ala. It is proposed to build a railroad from Opelika, Ala., to Portland, Fla., a distance of about two hundred miles.

### Best Liniment on Earth.

Henry D. Baldwin, Superintendent City Waterworks, Shullsburg, Wis., writes: "I have tried many kinds of liniments, but I have never received much benefit until I used Ballard's Snow Liniment for rheumatism and pains. I think it the best liniment on earth." 25c, 50c and $1. Sold by W. W. Johnson.

### How Swallows Build Nests.

Swallows and house martins build by sticking together pellets of prepared road mud. Most of the material is obtained from the drying puddles on the high roads. If not mixed with anything else the tendency of these pellets would be to crumble when dry. But the swallow tribe is supplied with a mucous secretion which enables it to gum the particles together. The swallows' nests, from which the Chinese birds' nest soup is made, are constructed of this mucous matter only. An Indian swallow, which builds little boat shaped nests against the trunks of lofty trees, practically makes them of dried saliva.—Brooklyn Eagle.

### Worse Than a Battle.

The Rev. Dr. Joseph Parker of the City temple, London, once had a collection made, to the announcement of which he added with deep pathos, "Widows and orphans will not be expected to contribute." A few Sundays later there was another collection for the same object. "This time," said the preacher, "nobody will be exempt, for no battle ever made so many widows and orphans as the announcement made on the previous Sunday."

### Bathing the Eyes.

Bathing the eyes with equal parts of witch hazel and water is very restful to them, or bathe them with warm water in which are dissolved a pinch of powdered borax and two or three drops of spirits of camphor. A soft linen cloth, used for no other purpose, is better than a sponge for bathing the eyes. The eyes should be washed every night to remove any dust that might have gathered on the lids during the day.

### No Bet.

He (at the window)—It's very cheerful within, but awfully disagreeable without. She (coyly)—Without what? He (inspired)—Why, without you, darling.

And a few weeks later a furniture installment house was called upon to open a new account.

### The Danger.

"Do you think, doctor, that indolence necessarily tends to obesity?"

"Um—not necessarily, perhaps, but when people do nothing but take up room they are quite likely to find it difficult—er—not to overdo, don't you know?"

### Cause For Pity.

We hear much about broken hearts in this world, but the lists of broken brained geniuses is greater. Almost every day we have to pity the man who carries his mind in a sling.—Toledo Blade.

### If the Baby is Cutting Teeth

Be sure and use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty-five cents a bottle.

## TO OVERTHROW DYNASTY.

Reports from Pekin Says the Movement is Rapidly Developing.

Victoria, B. C., Nov. 9.—Telegrams from Pekin to Japanese papers say, movements to overthrow the present Chinese dynasty are developing with credible rapidity. On Oct. 16, a portion was closed. Foreigners were allowed to pass the guarded gates but natives were closely scrutinized.

Great activity of revolutionaries is reported from several sections. A Shanghai paper says great excitement exists at Tien Tsin, among the native servants, many of whom are leaving foreign employ owing to the trouble that is expected.

Advices from Pekin published by Japanese vernacular papers received by the empress of China state that when the empress dowager of China returned hastily from her summer palace the cause of the bomb outrage at Pekin palace, she summoned the emperor and asked what he knew of the outrages, whereupon the emperor showed much confusion.

At a signal from the empress a party of guards appeared and led the emperor to a hall, where he has been since confined, no one having access to him and his food being thrust in through a window.

The Hochi-Shimbun says the emperor occasionally raises shrieks like those of a lunatic.

### Much Feeling Against Americans.

Hong Kong, Nov. 9.—Advices from Canton say the anti-American feeling here is growing more intense. A lady has been spat upon in a street and the American consul, Julius G. Lay, has received an anonymous letter threatening his life, if the imprisoned boycotters of American goods are not released. The consul has written to the viceroy asking him to prohibit an anti-American mass meeting which it is proposed to hold in Canton, but the viceroy apparently is indifferent. The American consul today proceeded to Lienchow in order to make an official investigation of the recent massacres of American missionaries there. The Chinese authorities will be represented by the Taotai.

### G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to anyone suffering from kidney or bladder trouble." The prisoners came from Paris bearing passports issued by the Ecuadorian consul here.

### Constipation.

Health is absolutely impossible if constipation be present. Many serious cases of liver and kidney complaint have sprung from neglected constipation. Such a deplorable condition is unnecessary. There is a cure for it. Herbine will speedily remedy matters. C. A. Lindsay, P. M., Bronson, Fla., writes, Feb. 12, 1902: "Having used Herbine, I find it a fine medicine for constipation." 50c a bottle. Sold by W. M. Johnson.

Keep Your Head Clear

And your stomach free from Indigestion if you would be happy with your family and your fellow-man.

The surest thing on earth to get a man's system "out of whack" is heavy, soggy bread, which is caused by several reasons: First, the material may not be good; second, the cooking may be poor. The best flour in the world will make the heaviest bread if improperly mixed or cooked. WE USE THE BEST FLOUR and our "long suit" is knowing how to mix and bake it. Our bread does not cost any more than home-made, and in many instances it is so much more palatable.
